OBJECTIVE

- Master of Computer Application (MCA) student with solid **problem-solving** skills. Possess a strong foundation in **programming** and passionate about **algorithms**, aiming to apply **analytical thinking.**

PROJECTS

- **Bank Locker Management System (PHP)**
- Developed a **secure, web-based locker management system** to streamline bank locker operations.
- Implemented **user authentication, locker allocation, and availability tracking** for efficient management.
- Built using **PHP, MySQL, HTML, and CSS**, ensuring a **responsive and maintainable.**

EDUCATION

- **Master of Computer Applications (MCA):** 1st Year (Pursuing)
  MET's Institute of Engineering, Nashik
- **Bachelor of Computer Applications (BCA)**
  MGSM Dr. Dadasaheb Suresh G. Patil College, Chopda
  Year of Passing: 2025 | **Percentage:** 82.98% (CGPA: 9.55)
- **Higher Secondary Certificate (HSC)**
  Art's Commerce Science College, Dharangaon
  Year: 2022 | **Percentage:** 85.83%
- **Secondary School Certificate (SSC)**
  S.D. Kude Madhyamik Vidyalaya, Dharangaon
  Year: 2020 | **Percentage:** 94.60%

TECHNICAL SKILLS

- **Programming Languages:** C, C ++, JAVA,Python.
- **Database** – MySQL
- **Web Technology** : HTML , CSS.

ACHIEVEMENTS AND CERTIFICATIONS

- **C++ Programming Certification – Spoken Tutorial, IIT Bombay** | Score: 87.5% (2025)
- **Cyber Security Internship** – Certificate of Completion
- **Deloitte Cyber Security Program** – Practical Task Completion Certificate
- **AI For All Program** – Certificate of Participation (2025)

STRENGTHS

- Strong analytical and problem-solving skills.
- Quick learner with adaptability to new technologies.
- Team collaboration & leadership abilities.
